In continuation of this office circular cited above, the following instruction is issued.

It has been observed from most of the cases that obtaining of NOC from Traffic Police Department is found not feasible. As Government has issued specific instructions for issue of planning permission within 30 days from the date of receipt of application from public, keeping pending for want of such a NOC for a prolonged period will deter adhere the time limit prescribed by Government.

Hence, the Regional Deputy Directors/Member Secretaries are requested to directly send a letter to the concerned Traffic Police Department about the NOC requirement for the MSB/Special Building for required cases by RPAD. If any objection was not received from the Police Department within 30 days, based on the merit of the case, decision may be taken by the Regional Deputy Director/Member Secretary. The same time limit of 30 days may be mentioned in the letter to concerned Police Authority.

The above instructions should be followed scrupulously. The receipt of the circular shall be acknowledged by return of post.
