Roc.No.21711/2011 HSBA,

dated: 21.10.2011.

Circular

Sub: HACA -Obtaining NOC from Geology and Mining
department for approval of layouts -Certain instructions
-Issued -Regarding.

Ref: This office circular Roc.No.16700/07-1 LA2,
dated.28.09.2007.

It was pointed out in the officer's meeting held on 14.09.11 that the check list of HACA necessitating NOC from Geology and Mining for layouts which is not in line with the circular issued in the reference cited above.

Hence, it was decided that if the slope of the site is more than 15 degrees, NOC should be obtained from Geology and Mining. However if the slope is less than 15 degrees then the discretion of the concerned Regional Deputy Director/Member Secretary may be decided on the NOC from Geology & Mines.

Hence, the concerned Regional Deputy Directors/Member Secretaries should follow the above procedure in future while approving layout proposal which is falling in notified Hill areas as per G.O.Ms.No.49, Housing and Urban Development (UD2.2) Department, dated 24.03.2003.

This circular comes into immediate effect and receipt of the same should be acknowledged immediately
