

O/o the Commissioner of Municipal
Administration,
Chepauk, Chennai-5.

Roc.No. 29323/2007/ IHSDP/BSUP 2

Dated: 10.08.2007

CIRCULAR No. 13

Sub: IHSDP/BSUP – Preparation of DPR- UGD and
Water supply connections - necessary provisions to
be given – instructions issued - Regarding.

Ref: (i) Circular No.6
(ii) G.O.Ms.No.161, MA&WS (MA.II) Dept.
dt.30.12.2006.

You are aware that the IHSDP/BSUP is being implemented in the ULBs as per the guidelines stipulated by the Ministry of Housing and Poverty Alleviation, Government of India.

While preparing the DRP, it has to be ascertained whether provision has been made for Water supply as well as Under Ground Drainage. If not, it should be incorporated in the DPR. Pipeline connection to every house should be part of the infrastructure component.

Water supply connections may be provided at a subsidized tariff / free of cost after obtaining necessary council resolutions, with respect to the slums taken up under IHSDP / BSUP.

Regarding UGD connections, Government have already given instructions to provide UGD connections free of cost for the low cost toilets vide reference second cited the same analogy may be extended to this scheme also.

Sd/ Niranjan Mardi
Commissioner of Municipal
Administration.
