**Declaration of Multi-storied Building Area for Construction of Residential Building
at Kelampakkam Village / Panchayat of Thirupporur Panchayat Union.**

(Proc. No. 14408/2008 Special Cell)

No.VI(1)/148/2009.

The land comprising Survey Numbers 33/3, 5A1, 5A2, 6A, 7, 8A of Kelampakkam Village/Panchayat, Thirupporur Panchayat Union.

Having an extent of 0.295 Hectare is declared as Multi-storied Building area for construction of Residential Building as per Tamil Nadu Multi-storied and Public Building Rules, 1973 and instructions thereof. In addition to that, it is also requested to ensure the compliance of the following conditions at the time of clearing the building plans:—

Conditions:

1. Multi-storeyed building for Residential use should be constructed with the condition that the building should satisfy the parameters of floor space index, plot coverage, etc. The applicant should obtain necessary clearance and No Objection Certificate (NOC) for the plans from the authorities viz., Commissioner of Town and Country Planning, Highways Department, Traffic Police Department, Fire Service Department, Chennai Regional Advisory Committee, Airport Authority, Micro Wave Authority, Tamil Nadu Pollution Control Board and the applicant should obtain EIA Clearance from the Ministry of Environment and Forest, Government of India as per Central Government's latest notification and submit it to the authority concerned.

2. Multi-storeyed building should be earthquake resistive structure. The building shall be designed by the Registered Professional Structural Engineer who shall also sign in all the plans.

3. The Multi-storeyed building should be designed based on NBC 2005 and an undertaking to this effect should be given by the developer to this office.

4. Ramp must be provided to lift room for the use of physically challenged persons.

5. Ramp ratio should be mentioned in the plan as 1:10.

6. Sufficient parking space should be provided near the entrance for physically challenged persons.

7. Suitable drainage facilities and sewage treatment plant should be provided within the complex.

8. Sufficient lifts must be provided as per Tamil Nadu Lift Act and Rules, 1997 and building should satisfy all the Multi-storied and Public Building Rules, 1973.

9. Fire extinguishers should be provided wherever necessary and also No Objection Certificate must be obtained from the Fire Service Authority.

10. Rainwater harvesting must be provided as per G.O. Ms. No. 138, Municipal Administration and Water Supply Department, dated 11th October 2002 and arrangements should follow the contour of the site. Detailed map should be produced.

11. Suitable arrangement should be made for tapping solar energy in the buildings as per G.O. Ms. No. 112, Municipal Administration and Water Supply Department, dated 16th August 2002.

12. FAR and plot coverage should be adopted as per rules and regulations and instructions thereof as applicable to Multi-storied building.

13. Height between each floor shall not be less than 3m.

14. Open stair-case for emergency escape should be provided in the building.

15. Expansion joints of 75mm gap have to be provided in the building at 45 metres intervals.

16. No Objection Certificate from local body or Highways Department about road widening, if any, should be provided.

17. Necessary lightning arresters should be provided.

18. The adequacy of STP has also to be certified by an authority for recycling of waste water.

19. The applicant should furnish the full detailed report about the water supply (both drinking and other purposes) and necessary undertakings to obtain water from the Government desalination plants to provide sufficient water supply to the consumers in the building without excessive extraction of more ground water in that area.

20. Affidavit regarding stability of building which has to be duly signed by the Architect, owner and Structural Design Engineer in a Rs. 100/- Stamp Paper on the following norms:-

Structural designs are made after conducting due soil test of the site as per National Building Code, 2005 so as to be safe against all natural calamities like earthquake, etc., and the structure will be safe in all respects and we all are held responsible for the structural safety/stability.—

- (1) Signature of the applicant/owner.
- (2) Signature of the Architect with seal and registration number.
- (3) Signature of the Structural Design Engineer with seal and registration number.

21. Applicant should submit a detailed report on the Rain Water Harvestings, arrangements based on the contour of the site with sketches and contour map.

22. Culverts if necessary are to be constructed across the water channel by the applicant at his own expenses for which necessary NOC has to be obtained from the concerned department and produced while submitting building plans for approval.

Chennai-600 002,
22nd April 2009.

ASHOK DONGRE,
Commissioner of Town and Country Planning.

Declaration of Multi-storied Building area allotted to M/s. Infosys Limited within the Mahindra Industrial Park Limited for Construction of IT Buildings at Veerapuram Panchayat, Kattankolathur Panchayat Union of Chengalpet Taluk.

(Roc./No. 26377/2008 Special Cell)

No. VI(1)/149/2009.

The Plot No. TPI of Phase I approved Layout No. LP/DTCP No. 13/2005, area allotted to M/s. Infosys Limited within the Mahindra Industrial Park Limited, Veerapuram Panchayat, Kattankolathur Panchayat Union, Chengalpet Taluk.
