**14. Verification or re-verification and inspection of weights or measures.**— (1) Every person using any weight or measure in any transaction or for protection shall present such weight or measure for verification or re-verification, at the office of the Legal Metrology Officer or at such other place as the Legal Metrology Officer may specify in this behalf on or before the date on which the verification or re-verification falls due:

Provided that where any weight or measure is such that it cannot, or should not be moved from its location, the person using such weight or measure shall report to the Legal Metrology Officer at least thirty days in advance of the date on which the verification falls due.

(2) Where any weight or measure is such that it cannot, or should not be moved from its location, the Legal Metrology Officer shall **take** necessary steps for the verification of such weight or measure at the place of **its** location.

(3) For the verification of weight or measure referred to in sub-rule (2) above, the user shall provide such facilities, as may be specified by the Controller.

(4) Every weight or measure presented for verification shall be complete in itself.

(5) Every weight or measure shall be verified in a clean condition, and if necessary, the Legal Metrology Officer shall require the owner or user to make necessary arrangement for the purpose.

(6) A Legal Metrology Officer may visit, as frequently as possible every premise within the local limits of his jurisdiction to inspect and test any weight or measure which is being or is intended or likely to be used in any transaction or for protection.

(7) The Legal Metrology Officer shall obliterate the stamp on any weight or measure, if it is found during inspection that,-

(a) any weight or measure which being due for re-verification has not been submitted for such re-verification;

(b) any weight or measure which does not conform to the Standards established by or under the Act:

Provided that where the Legal Metrology Officer is of opinion that the defect or error in such weight or measure is not such as to require immediate obliteration of the stamp, he shall inform the user, of the defect or error found in the weight or measure and call upon user to remove the defect or error within such time, not exceeding eight days and shall-

(i) if user fails to remove the defect or error within that period, obliterate the stamp; or

(ii) if the defect or error is so removed as to make the weight or measure conform to the standards established by or under the Act, verify and stamp such weight or measure.

*Explanation.* - The obliteration of the stamp on any weight or measure shall not take away or abridge the power of the Legal Metrology Officer to seize such weight or measure in accordance with the provisions of the Act.

**15. Stamping of weights or measures.**— (1) The Legal Metrology Officer shall stamp every weight or measure, after testing and verification, if he is satisfied that such weight or measure conforms to the standards established by or under the Act, with a stamp of uniform design, issued by the Controller, which shall indicate the number allotted for administrative purpose to the Legal Metrology Officer by whom it is stamped:

Provided that if by reason of the size or nature of any weight or measure it is not desirable or practicable to put a stamp thereon, the Legal Metrology Officer shall take such action as may be directed by the Controller by a general or a special order in writing.

(2) The Legal Metrology Officer shall also mark the year and its quarter of stamping on every verified weight or measure except when the size or nature of such weight or measure makes it impracticable.

*Explanation.*—A year shall be deemed to consist of four quarters of which first quarter shall be of the months of January, February and March, which shall be marked as "A"; second quarter shall be of the months of April, May and June, which shall be marked as "B"; third quarter shall be of the months of July, August and September, which shall be marked as "C"; and fourth quarter shall be of the months of October, November and December, which shall be marked as "D".

(3) On completion of verification and stamping, the Legal Metrology Officer shall issue a certificate of verification in the form set out in **Schedule VIII**.

(4) Where a certificate of verification is lost or destroyed, the holder of the certificate of verification shall forthwith apply to the Legal Metrology Officer who had issued the certificate, for the issue of a duplicate certificate of verification. Every such application for the issue of a duplicate certificate shall be accompanied by a fee of **rupees ten**.

(5) On receipt of an application under sub-rule (4) above, the Legal Metrology Officer shall issue to the applicant a duplicate copy of the certificate of verification marked 'DUPLICATE'

**16. Fee for verification.**— (1) Fees payable for verification and stamping of weight or measure at the office or camp office of the Legal Metrology Officer shall be as specified in **Schedule IX**.

(2) If, at the request of the user of weight or measure, verification is done at any premises other than the office or camp office of the Legal Metrology Officer, an additional fee shall be charged at half the rate specified in the **Schedule IX** and the user of the weight or measure shall pay the expenses incurred by the Legal Metrology Officer for visiting the premises including the cost of transporting and handling the Working Standard and other equipment subject to a minimum of rupees **one hundred**:

Provided that no additional fee shall be charged for verification and stamping of weights and measures in situ of –

(i) Vehicle tanks for petroleum products and other liquids, Meter for Liquids Other than Water (Fuel Dispenser, Liquefied Petroleum Gas, Milk Dispensers), compressed Natural Gas Dispensers, Non-automatic Weighing Instruments like weighbridges, platform machines, crane scale, Automatic Gravimetric Filling Instruments, Automatic Rail-weighbridge, Discontinuous Totalizing Automatic Weighing Instruments, and such other weight or measure which cannot, and should not be moved from its location;

**(ii) Weight or measure in the premises of manufacturer or dealer of such weight or measure.**

(3) If a weight or measure is presented to the Legal Metrology Officer for re-verification after expiry of the validity of the stamp, an additional fee at half the rates specified in **Schedule IX** shall be payable for every quarter of the year or part thereof.

(4) Full fee shall be payable for re-stamping any weight or measure held in stock with manufacturer or dealer within the period as specified in the Legal Metrology (General) Rules, 2011 from the date on which it was last stamped, provided that the original stamp was not obliterated

(5) A weight or measure which on verification or inspection is found to be incorrect shall be returned to the person concerned for adjustment informing him, in a proforma specified by the Controller, of the defects found in the weight or measure, and calling upon him to remove the defects within a period not exceeding seven days. When the necessary adjustment has been carried out, such weight or measure shall be verified on payment of the fees specified in **Schedule IX** and if found correct shall be stamped.

**17. Collection of fees and deposit into the Treasury.**— (1) Before commencing the work of verification or re-verification, the Legal Metrology Officer shall inform the person concerned of the fees payable by him and shall receive the same in the manner as **authorised** by the Controller and issue a receipt in the form approved by the Controller, one copy of such receipt being kept on record:

Provided that fees payable by a department of the Central or State Government under these rules may be realised in such manner as may be directed by the Controller.

(2) The Legal Metrology Officer shall maintain a register, in the form approved by the Controller, which shall be written up from day-to-day and shall show the amount of fees and other charges collected during the day.

(3) All payments received by the Legal Metrology Officer during the week shall be paid into the Government Treasury under the appropriate "Head of Account" on such dates or days as may be specified by the Controller, from time to time, and a receipt thereof be obtained and an intimation to that effect be sent to the Controller or other officer authorised by him in this behalf.

**18. Disposal of seized weights, measures, etc.**—(1) Any un-verified weight or measure shall be returned to the person from whom such weight or measure was seized if that person gets the same verified and stamped, within **fifteen days** of the return, on payment of the prescribed fee including the additional fee payable for undertaking re-verification after the expiry of the validity of the stamp.

(2) Any weight or measure or document or thing or goods seized and detained under Section 15 of the Act, which is to be the subject of proceedings in a court shall be produced by the Legal Metrology Officer before the court shall after conclusion of the proceedings, be taken possession of by the Legal Metrology Officer and dealt with in accordance with the orders of the court:

Provided that in the absence of the orders of the court, weight or measure or document or thing or goods shall be dealt with as the Controller may, by special order, direct and the material thereof, shall be sold and the proceeds credited to the Government Treasury.

(3) If any goods seized under section 15 of the Act, are subject to speedy or natural decay, the Legal Metrology Officer shall have the goods weighed or measured on a verified weighing or measuring instrument available with him or nearest place of offence and enter the actual weight or measure of the goods in a form specified by the Controller for this purposes, and shall obtain the signature of the trader or his agent or such other person who has committed the offence. The goods in question shall be returned to the trader or the purchaser, as the case may be:

Provided that if the trader or his agent or the other person (who has committed the offence) refuses to sign the form, the Legal Metrology Officer shall obtain the signature of not less than two persons present at the time of such refusal by the trader or his agent or other person. In the case of goods returned to the traders, he shall give an undertaking that he shall not sell the defective goods without rectifying the defects thereon.

(4) Where the goods seized under sub-section (1) of Section 15 of the Act are contained in a package and the package is false or does not conform to the provisions of the Act or any rules made thereunder and the goods in such package are subject to speedy or natural decay, the Legal Metrology Officer, so far as may be, dispose of the goods in such package in accordance with the provisions of sub-rule (3):

Provided that the controller shall be the final authority to decide whether the goods seized and detained are subject to speedy or natural decay.

(5) Where the goods seized under sub-section (1) of Section 15 of the Act are not subject to speedy or natural decay, the Legal Metrology Officer may retain the package for the purpose of prosecution under this Act after giving the trader or his agent or the other person ( who has committed the offence) a notice of such seizure.

(6) The goods referred under sub-rules (4) and (5), which are not to be the subject of proceedings in a court, shall after the expiry of sixty days of its seizure, be so dealt with as the Controller may by special order direct.

**19. Validity of Weights or Measures duly stamped.**— (1) A weight or measure which is, or is deemed to be, duly verified and stamped under these Rules shall be deemed to conform to the standards established by or under the Act at every place within the State in which it is stamped unless it is found on inspection or verification that such weight or measure has ceased to conform to the standards established by or under the Act.

(2) No weight or measure which is, or is deemed to be, duly verified and stamped under this Act shall require to be re-stamped merely by reason of the fact that it is being used at any place within the State other than the place at which it was originally verified and stamped:

Provided that where a verified weight or measure, installed at one place is dismantled and re-installed at a different place, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodical re-verification of such weight or measure has not become due.

(3) Where a verified weight or measure has been repaired, whether by a licensed repairer or by the person owning and possessing the same, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodical re-verification of such weight or measure has not become due.
