Order No: 220, Agriculture (AP6), 21st July 2016

In the letter first read above, the Joint Secretary, Department of Agriculture, Co-operation & Farmers Welfare, Government of India has informed that the Government of India have launched a new Crop Insurance Scheme “Pradhan Mantri Fasal Bima Yojana (PMFBY)”, from Kharif 2016 season onwards, withdrawing the existing Crop Insurance Scheme viz., National Agricultural Insurance Scheme (NAIS) and Modified National Agricultural Insurance Scheme (MNAIS) in the country.

2. The Scheme proposes to introduce a Unified Package Insurance Scheme (UPIS) also on a pilot basis in 45 districts of the country, to cover other assets/activities like machinery, life, accident, house, tractor, student safety and crops etc., of farmers and requested to initiate action required for the implementation of the scheme from Kharif 2016 season onwards. The Government of India have requested the State Government to select two districts of their choice to implement the UPIS.

3. It is also stated that Weather Based Crop Insurance Scheme (WBCIS) and Coconut Palm Insurance Scheme (CPIS) would continue in a restructured format However, WBCIS was already withdrawn from implementation in Tamil Nadu from Rabi 2014-15 onwards due to low patronage by the farmers and CPIS has been continued for implementation.

4. In the letter second and third read above, the Commissioner of Agriculture and the Director of Horticulture and Plantation Crops have requested the Government to

issue administrative sanction for the implementation of “Pradhan Mantri Fasal Bima Yojana” in the State of Tamil Nadu from Kharif 2016 onwards and to issue financial sanction for the total amount of Rs. 487.3703 Crore as detailed underneath.

Sl. No.	Department	Amount Requested for Sanction Rs. in Crore
1	Agriculture	478.4895
2	Horticulture	8.8808
	Total	487.3703

5. It has been requested by the Commissioner of Agriculture that the Pradhan Mantri Fasal Bima Yojana may be implemented in the State of Tamil Nadu from Kharif 2016 onwards following the guidelines presented by Government of India and as summarized below:

Procedures to be followed under Pradhan Mantri Fasal Bima Yojana (PMFBY):-

a. Unit of insurance is Revenue Village as against Firka or Block level in National Agricultural Insurance Scheme.

b. Premium will be calculated on actuarial basis, whereas in NAIS, nominal premium is Charged. Farmers have to pay fixed premium on actuarial premium rates under PMFBY and the balance would be shared equally by Government of India and Government of Tamil Nadu.

c. In National Agricultural Insurance Scheme, Agriculture Insurance Company of India Limited (AICIL) is the only implementing agency. In Pradhan Mantri Fasal Bima Yojana, companies including private insurance companies empanelled by Government of India are allowed as implementing agencies.

d. Under National Agricultural Insurance Scheme, Agriculture Insurance Company of India Limited pays compensation upto the premium amount collected in a year from the farmers at State level. Compensation over and above the 100% of premium collected is shared equally by the Government of Tamil Nadu and Government of India. Under Pradhan Mantri Fasal Bima Yojana, the crop insurance company is totally ‘responsible for the Crop’ Loss Compensation payable to the farmers. Government of India and Government of Tamil Nadu have to share it equally in the event of compensation exceeding 350% of the premium collected at National level.

e. Districts have been grouped as low risk, medium risk and high risk districts under Pradhan Mantri Fasal Bima Yojana. Risk is calculated based on frequency of occurrence of drought and cyclone. In Tamil Nadu, 16, 6 and 9 districts come under Low, Medium and High risk districts respectively, whereas there is no such grouping of districts under NAIS.

State contribution on the premium subsidy and compensation under different insurance schemes.

Season	Total premium subsidy (GOI+GOTN)	GOTN premium subsidy	GOTN share of compensation claims
NAIS(2005-2015)	264.29	247.22	1160.36
MNAIS(2010-2013)	83.32	41.66	0
Anticipated under PMFBY (for 2016-17 alone)	1020.00	486.97*	0

* The anticipated premium subsidy share of State Government for Agriculture and Horticulture Crops. worked out based on the average of previous five years enrolment. This also includes the We previous year's balance settlement of Rs. 28.678 Crore.

6. Under PMFBY, the approximate annual commitment on Premium subsidy on the State would increase from Rs.40 Crore (Rs.30 Crore for Agricultural Crops, Rs.10 Crore for Horticultural Crops) to Rs. 487.3703 Crore (Rs.478.4895 Crore for Agricultural Crops and RS.8.8808 Crore for Horticultural Crops) based on estimations made. Moreover, 50% of the anticipated premium has to be paid before the commencement of the seasons and balance during the seasons.

7. Under National Agricultural Insurance Scheme (NAIS), 2% on the sum insured is fixed by the Government of India as nominal premium. The Government of Tamil Nadu is extending 50% premium subsidy to farmers under NAIS and therefore the farmers were paying only 1 % of premium as their share.

8. The State Level Co-ordination Committee on Crop Insurance Meeting was held on 29.3.2016 and the following were approved by the Committee.

- PMFBY:

Implement the new crop insurance scheme in Tamil Nadu in all the districts except Chennai from Kharif 2016 season onwards by replacing the existing "National Agricultural Insurance Scheme" (NAIS).

- The premium share of 1.5% to 2% to be borne by farmers as recommended under PMFBY may also be followed in Tamil Nadu.

- To permit Commissioner of Agriculture to invite Short Tender to finalize the Insurance Companies empanelled by the Government of India and the Districts covered by the Insurance Companies as per Tamil Nadu Tender Transparency Act, 1998.

- Increase the budget provision of the State Government from Rs.40 Crore to Rs.487.3703 Crore towards premium subsidy and payment of 50% of the premium subsidy upfront to the selected Insurance Companies.

- To sanction additional posts in the Department of Agriculture and Directorate of Economics and Statistics towards implementation of PMFBY:
