

ABSTRACT

Budget Speech 2012 -2013 – Solid Waste Management - Waste to Energy project in the Public Private Partnership (PPP) mode in Tirunelveli Corporation – Orders - Issued

Municipal Administration and Water Supply (MC.II) Department

G.O.(Ms.)No.89

Dated : 26.09.2012

Read:

1. G.O.(Ms.)No.6, MA&WS (MA.II) Department dated 17.01.2012
2. From the Commissioner of Municipal Administration, Letter Roc.No. 51810/2011/P3 dated 31.08.2012

ORDER :

In the Budget Speech 2012-2013, among others it has been announced that

“Urban Solid Waste Management is a major challenge confronting the local bodies. It is estimated that 13,533 metric tonnes of solid waste is generated in our urban Local bodies every day. Solid Waste Management projects for scientific disposal of waste have been taken up in Madurai, Coimbatore, Salem Corporations and Namakkal Municipality in the Public Private Partnership (PPP) mode. Further, we are proposing to implement a “waste to energy” project in the Public Private Partnership (PPP) mode in Tirunelveli. **All urban Local Bodies will practice source segregation of solid waste into degradable and non-degradable components in a phased manner.**

2. The Commissioner of Municipal Administration in his letter second read above has stated that in general, the Urban Local Bodies find it very difficult to identify and procure suitable land for development of processing and disposal facility for solid waste. Therefore, an attempt has been made to bring a holistic approach to overcome the constraints faced by the Urban Local Bodies in identifying land for development of such facilities. Accordingly, it is proposed to develop six Regional Landfill facilities at Tiruppur, Tiruchirappalli, Tirunelveli, Nagercoil, Thoothukudi and Vellore wherever sufficient land is available, by clustering the nearby Urban Local Bodies. The Commissioner of Municipal Administration has stated that the draft Request for Proposal (RFP) is under preparation and will be floated only after it is vetted by Public Private Partnership cell of the Finance Department.

3. In view of the above, the Commissioner of Municipal Administration in his letter second read above has requested the Government to permit him to utilise a sum of Rs.3.00 Crore sanctioned in the G.O. first read above, under Integrated Urban Development Mission (IUDM 2011-2012) to Tirunelveli Corporation for Solid Waste Management .

4. The Commissioner of Municipal Administration in his letter second read above has proposed to take up the waste to energy project in the Public Private Partnership (PPP) mode in Tirunelveli corporation with the following activities as per the time line mentioned below :-

➤ Bid due date and opening of Technical Proposal for engaging Transaction Advisor	05.09.2012
➤ Award of work to Transaction advisor	10.09.2012
➤ Floating of RFP for establishing waste treatment and scientific landfill on cluster basis on PPP mode	31.10.2012
➤ Issue of Work order	31.01.2013.

5. The Commissioner of Municipal Administration has also proposed that priority will be accorded for disposing of the solid wastes by scientific method on BOOT basis under the Public Private Partnership (PPP) mode in the existing dump yard at Ramayanpatti in Tirunelveli Corporation.

6. The Government after careful examination accept the proposal of the Commissioner of Municipal Administration at paras 3, 4 and 5 above and permits him to utilise the amount of Rs.3.00 Crore sanctioned in the G.O. first read above under Integrated Urban Development Mission (IUDM 2011-2012) to Tirunelveli Corporation for Solid Waste Management and also direct him to take action as per the schedule proposed at para 4 above.

7. This order issues with the concurrence of Finance Department vide its U.O.No.474/Secretary (Expenditure) dated 12.09.2012

(By Order of the Governor)
