GOVERNMENT OF TAMIL NADU

ABSTRACT

Local Bodies - Lease of Municipal Market - Auction of different markets - Not to be combined in a single auction - Instructions issued.

MUNICIPAL ADMINISTRATION AND WATER SUPPLY DEPARTMENT

G.O.Ms. No. 413

Dated: 30.4.90

ORDER:

During the course of a detailed enquiry into certain allegations against a Municipal Officer, it has been brought to the notice of the Government, that auction for leasing different Municipal Markets were clubbed into a single auction, in deviation of the existing practices, thereby, causing a huge loss of revenue to the Municipality concerned. Eventhough the enquiry did not encluse any ulterior motive behind the clubbing of the auction for several markets into a single auction, separate auctions for each one of the markets could have fetched a higher lease amount to the Municipality.

2. The Government, after careful consideration, direct that separate auctions must be conducted for each one of the different markets, shandies of Municipality/ Municipal Township in future, with a view to augment revenue.

(BY ORDER OF THE GOVERNOR)

P. BASKARADOSS
SECRETARY TO GOVERNMENT.
