ORDER:

The Director, Tamil Nadu Institute of Urban Studies, Coimbatore has reported that among the five categories of recruitment to the Grade III Municipal Commissioners posts, these directly recruited through Tamil Nadu Public Service Commission really lack the requisite elementary skills for running the administration compared to the categories. This position is likely to cause hardship to the incumbents in handling sensitive and important administrative matters. In order to avoid this contingency, he has suggested that an intensive induction training may be given to the directly recruited Municipal Commissioners.

2. The Director of Municipal Administration, while forwarding the above proposal has reported that the periods of Induction Training to be given to the Directly recruited Municipal Commissioners III Grade; may be spaced out as follows:-

- (a) Training in the Directorate of Municipal Administration, Madras .. One week
- (b) At the Tamil Nadu Institute of Urban Studies, Coimbatore .. Four Weeks
- (c) Practical Training in any Selection/ Special Grade Municipalities .. Four Weeks
- (d) At the Office of the Regional Deputy Examiner of Local Fund Accounts .. One Week
- (e) At the office of the Regional Directorate of Municipal Administration .. One week
- (f) Again at the Directorate of Municipal Administration, Madras .. One Week
